Dear Sirs:

I have had the opportunity to review your report of the Council for Tobacco Research U.S.A., Inc.'s activity in 1987 of funded grant applications. I wish further information regarding the application, application procedures and areas of interest that you consider of interest for funding. I found this report most interesting and the research excellent, related to areas of my laboratories interest.

I thank you in advance for your help, time and effort in this matter.

Sincerely yours,

John M. Lehman, Ph.D.
